Hot Spots

HOT1 – Busy vehicle service road crosses Taxiway G east of Taxiway B. Non-movement area begins just west of service road.

HOT2 – Taxiways E and F intersection with Runway 9/27. Immediately after crossing Taxiway C, both Taxiways E and F cross Runway 9/27.

HOT3 – Taxiways C and D intersection with Runway 19L/1R. Immediately after crossing Taxiway E, both Taxiways C and D cross Runway 19L/1R.

HOT4 – The intersection of Taxiway B-2 and Ottawa Ave. (vehicle service road). Taxiway B-2 is the only entrance to the general aviation ramp. This service road is a high traffic vehicle route for airlines and cargo carriers.
